## **REMARKS**

Claims 1-14 are the only claims pending. Original claims 1-9 have been amended to eliminate informal "characterized in that" terminology and multiple ranges, to reduce filing fees by eliminating multiple dependency and to provide minor clarification.

The newly added claims are supported by the subject matter deleted from the originally filed claims. No new matter has been added.

Applicants aver that the claims are now in better form for examination. An Action on the merits of the claims is respectfully awaited. In the event that minor amendments will further prosecution, applicants request that the examiner contact the undersigned representative.

Respectfully submitted,

Kevin T. Mansfield
